

Good Morning All,

On Monday 13th July we can at long last return to the bridge tables. We can resume all our weekly sessions including Tuesday evening. The Bridge Club will have ample supplies of sanitizer and wipes but if you want to bring your own please do so. This is about our health and wellbeing. Most of us are at that vulnerable age so do not risk it - if you don't feel comfortable you do not have to come along.

Just a few ground rules;

- Sanitize your hands after each hand is played
- Wipe the boards down before passing them to the next table
- Use your own pencil/pen OR get a pencil from the basket, sanitize it, and use the same one ALL session
- Make sure you cover your mouth when coughing or sneezing. Or better still leave the table.
- If you feel more comfortable wearing a face mask, please do so. This is not mandatory.
- If you are not comfortable playing bridge in this situation – don,t.
- Do NOT touch your face with your hands at any time.
- If you are displaying any symptoms of a cough or cold, please stay at home.
- Those with serious respiratory conditions should consider not returning at this point.
- Practice social distancing at all times.

There are probably a few things I have missed so we will go over them first thing Monday morning.

We will need a few helpers on Monday with the cleaning and set up so if you feel so inclined please be there about 7.30 am.

Our normal session times apply but try to be there about 8.00 am (6.00 pm on Tuesday evening) so everyone can get settled ahead of time. I am sure there is a lot of catching up to do.

Make sure you contact your regular partner to confirm you are both able to play. Those requiring a partner contact Leone on 0429 093 976.

Regards

Babs
