

Hi, Bridge club Members.

I am submitting this report in advance as I will be absent when the AGM comes around next month.

Another year has gone by and the club continues to grow thanks to Steve & Rod who did a great job conducting bridge classes during the year.

The committee members have been so helpful in the running of the club. Special thanks

to Claire for organising the functions and Bev for providing the coffee cups, cleaning

them & providing coffee & tea. Also the other committee members for stepping up

when others are away.

Thanks again Kim for setting the dealing machine up each fortnight and June who organises the Roster and the merry band of helpers that stay to help Kim.

The Directors Sheryl, Susie, June and Steve thank you for your help.

Congratulations to all the winners of the competitions during the year.

Italian pairs start on the 7th July and they are a great way to mix with others.

I have enjoyed being the president this year. Maurie and I are heading North for 6 to 7 weeks and Peter Sullivan will be acting President.

Regards

Julie
